ATOMIC EDITION

THE BEST IS YET TO COME

VOLUME V

PIKE COUNTY, OHIO, WEDNESDAY, JULY 2, 1958

NUMBER 19

Review — OF — Labor Relations

Additional officers have been announced by Local 66, United Plant Guard Workers of America.

Following an election at the regular meeting June 12, D. E. Pistole was elected to fill the vacancy of "B" shift steward.

W. T. Schweinsberg, President, Local 66, has appointed R. L. Friece as acting committeeman to fill the vacancy created by the resignation of R. G. Brewer. Friece will serve until the next regularly scheduled meeting July 3, at which time an election will be held to select a permanent committeeman.

Employees Active In Portsmouth Elks

Goodyear Atomic Corporation employees are active in the Benevolent and Protective Order of Elks, Portsmouth.

H. H. Stoops, Jr., standard practice department, was elected loyal knight. Paul H. Benner, purchasing department, is the new lecturing knight. Joseph C. Parker, electrical maintenance department was elected esquire.

The Portsmouth Elks annually promote a Good Citizenship Award for worthy Boy Scouts to attend summer camp.

Five
Year Pins

Employees who will receive five year pins between July 1 and July 16 are as follows:

- | | |
|-------------------|-------------------|
| M. L. Gilliland | R. B. Casari |
| C. J. Ostergren | H. M. Kallaher |
| G. P. Zoellner | K. D. Chapman |
| G. E. Tanner | N. J. Vulgamore |
| W. R. Miller | S. Wilson |

THIS SCENE WILL BE REPEATED JULY 29 AND 30 when the Huntington Regional Bloodmobile makes its semi-annual visit to plantsite. The two day blood collection will be held in the fire station.

Fleshman Is First Half Safety Slogan Winner; Slogan Selected From 501 Since January

W. S. Fleshman, process laboratory department, was selected by members of the Safety Slogan Committee as the winner of GAT's safety slogan contest for the first six months of 1958. His winning slogan was: "Make Safety a Plan Not an Experience."

W. S. Fleshman, process laboratory department, was selected by members of the Safety Slogan Committee as the winner of GAT's safety slogan contest for the first six months of 1958. His winning slogan was: "Make Safety a Plan Not an Experience."

Fleshman, whose entry was selected from the 12 monthly winners, was presented with a 14" portable television set.

During the first six months of 1958, a total of 501 safety slogans were submitted. There were twelve monthly cash awards totaling \$120.

The winning slogan was one of the four winners which Fleshman submitted during the past six months. Other monthly winners were: M. V. Gill, police department, J. L. Cramer, decontamination department, and W. C. Justice, reproduction department, each won two awards. Delores Landreman, technical review department, and Carolyn Head, police department, each won a monthly award.

The slogan, "Make Safety a Plan Not an Experience," was one of the two April winners and will be the company's safety slogan throughout the next six months.

The safety department said the slogan will be used on all safety promotional material in the plant during the next six months.

The announcement of the safety slogan winner was made by D. W. Doner, manager, industrial relations, during Goodyear Atomic's Annual Picnic on June 21, in Camden Park.

Doner reviewed the reason for the contest, pointing out that two winners are selected monthly and that the semi-annual winner is selected from the 12 monthly winners. The semi-annual winners receive a merchandise award valued at approximately \$100. A \$10 award is given to each monthly slogan winner. He urged all employees to take an active part in the safety slogan contest.

You are reminded that the contest is open to members of the employee's immediate family.

What's Missing?

XXVN though my typewriter is an old model, it works quite well except for one of the keys. I wish many times that it worked perfectly. It is true that there are forty-two keys that function well enough, but just one key not working makes the difference.

Sometimes it seems to me that a safety program is somewhat like my typewriter — not all the keys are working properly.

You may say to yourself, "Well, I am only one person. I won't make or break a program." But it does make a difference because a safety program, to be effective needs the active participation of every employee.

So the next time you think you are only one person and that your efforts are not needed, remember my typewriter and say to yourself, "I am a key person in our safety program and I am needed very much."

WE NEED YOUR HELP

The Community Relations Department needs your help to compile an accurate record of employees active in the Boy Scout and Girl Scout programs. Have you submitted your name?

Record Attendance At GAT's Annual Picnic; Prize Winners Listed

Goodyear Atomic Corporation's 1958 Picnic was given the stamp of approval by all who attended. The park management estimated that between 7,500 and 8,500 persons attended this Fifth Annual Picnic, which was held on June 21, at Camden Park, Huntington, West Virginia.

The addition of an amazing new ride, "The Turnpike Cruiser", located in the northwest corner of the park grounds held the attention of a large number of the participants and therefore there was more room available on the midway. The weatherman cooperated exceptionally well considering the excessive amount of rain that had fallen during the month of June. The rain came about 3:05 p. m. and lasted for about an hour. The drawing for prizes was rushed a little in an attempt to beat the rain, but for the most part a steady drizzle fell throughout the entire drawing. The athletic events under the supervision of W. E. Ellsesser, plant engineering department, and his committee, were run off with great precision. The athletic events attracted more participants than in any previous year. A total of 262 individuals — including children and grown-ups, took part.

The grand drawing prize winner was Lester Hurst, of the power department. His prize was a set of the Encyclopedia Americana.

Other winners were: Harold R. Adkins, electronics department, bedspread; James F. Newell, laundry department, deep fry cooker; Betty J. Offutt, special analysis department, portable mixer; Harlan G. Moore, shops maintenance department, binoculars; Eloise Spencer, accounts payable department, 2-speed blender; Alfred L. Sigrist, materials recovery department, electric coffee maker; Milton F. Snyder, Jr., machine shop, and Leroy W. Pollock, weld shop, portable typewriter.

Twenty-five men entered the horse-shoe pitching contest. The winner was M. S. Collier, of the stores department. Runner-up was G. W. Parks, cascade maintenance department.

Frank Caldwell, shops maintenance department, won the miniature golf prize. His score was 39. Lola Staley, medical department, had low score, 52, among the women participants.

(Continued on page 2)

PICNIC CONTEST WINNERS

AGES 5 AND UNDER

Lollypop Race	Girl 1st	Patty Crawford
	Girl 2nd	Connie Ramey
	Boy 1st	Donald Williams
Run-to-Mama Race	Boy 2nd	Randy Armstrong
	Girl 1st	Lynn Miller
	Girl 2nd	Connie Ramey
	Boy 1st	Steve Gemperline
	Boy 2nd	Jeff Thompson

AGES 6-7-8

Thirty Yard Dash	Girl 1st	Betty Fritz
	Girl 2nd	Deane Clary
	Boy 1st	Paul Brown
Candy Kiss Hunt	Boy 2nd	Eddie Brooks
	Girl 1st	Joyce Bradford
	Girl 2nd	Shirley Ann Morris
	Donna Shoemaker	Chuck Hulbert
	Boy 1st	Robert Thomas
	Boy 2nd	Donald Jackson

AGES 9-10-11

Backwards Race	Girl 1st	Phyllis Donally
	Boy 1st	Margaret Scott
Fifty Yard Dash	Girl 1st	Jimmy Rhea
	Boy 1st	Gale Newman
	Girl—Tie	Renay France
Bubble Gum Scramble	Boy 1st	Margaret Scott
	Boy 2nd	Eric Miller
	Boy 2nd	Gale Newman
	Boy 1st	Sandy Ramey
	Boy 2nd	Donna Sims
	Boy 2nd	David Gleason
	Boy 2nd	Tommy Sexton
	Boy 2nd	Mike Farver

AGES 12-13-14

Sack Race	Girl 1st	Donna Tussey
	Girl 2nd	Judy Rhea
	Boy 1st	Darrell Donnally
Pop Drinking (Nipple)	Boy 2nd	Donnie Miller
	Girl 1st	Judy Rhea
	Girl 2nd	Sue Hood
Seventy-Five Yard Dash	Boy 1st	Tom Skinner
	Boy 2nd	Daniel Widdig
	Girl 1st	Sue Hood
Girl 2nd	Judy Scott	
Boy 1st	Bob Newman	
Boy 2nd	Darrell Donnally	

ADULT CONTESTS

Yarn Winding Contest	Woman 1st	Mrs. Kate McHenry
	Woman 2nd	Mrs. Marie Cross
Sack Race	Man	Bill Ellis
	Man	Barry Wright
Bag Bust Race	Woman	Sandy Williams and Elsie Collier
	Man	Dick Tank and Marty Collier
Blow Dough Race	Woman	Joyce Frame
	Man	Dave Frame
Water Balloon Toss	Woman	Loretta Williams
	Man	C. D. Williams
Egg Toss (Men)	1st Pair	Marty Collier George Nagy

THIS GOODYEAR ATOMIC EMPLOYEE IS BEAMING who is an avid rose enthusiast. The daughter, Helen proudly at the beautiful Star "Peace" rose grown by Winn, is in the computing department. The rose measured six inches in diameter.

PICNIC

(Continued from page 1)

"Successful employee activities do not just happen," said R. F. Jones, supervisor of recreation, "the co-operation of all employees is needed to make them successful. The assumption of individual responsibilities by the various picnic committees makes the job of general chairman a pleasant task."

To err is human, but when the eraser wears out before the pencil, you're overdoing it.

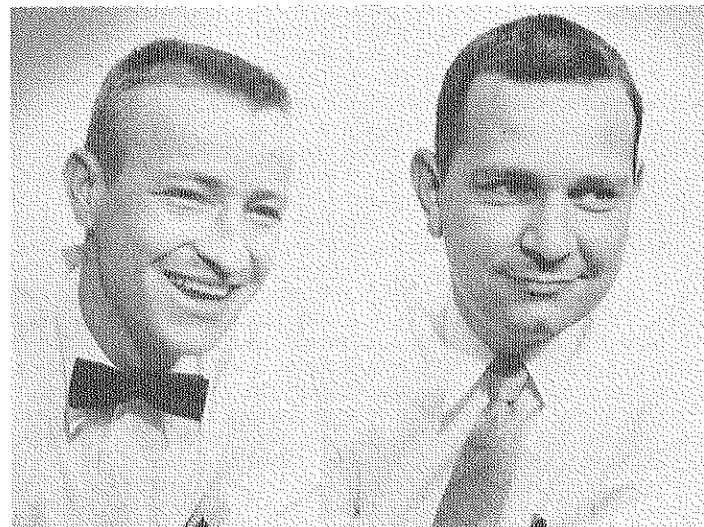

Chillicothe Subsection Of The AIEE Announce Selection Of Officers; Wilson Is Chairman

The Chillicothe Subsection of The American Institute of Electrical Engineers has announced its officers for 1958-59.

Those elected were: A. F. Wilson, power department, chairman; A. G. Morris, Columbus & Southern Electric Co., vice chairman; and L. Hurst, power department, secretary-treasurer. F. Kalisik, plant engineering department, is the immediate past chairman.

Some of the objectives of the AIEE are:

1. to advance the theory and practice of electrical engineering and of the allied arts and sciences,
2. to maintain a high professional standing among its members,
3. to encourage research in science and engineering,
4. to develop technical standards in cooperation with manufacturers, industry, and associations,
5. to render public service and foster a spirit for the common good,
6. to provide an opportunity for personal growth and progress,
7. to provide educational opportunities through its publications and meetings,
8. to promote association among engineers and leaders of industry.

SECRETARY-TREASURER AND CHAIRMAN respectively. These were the titles received by two GAT employees as newly elected officers of the Chillicothe Subsection of the American Institute of Electrical Engineers. Shown at left is L. Hurst, power department, secretary-treasurer, and A. F. Wilson, chairman, also of the power department.

Vote Results Announced By GAT Foremen's Club

The results of the vote to elect 15 trustees for the GAT Foremen's Club have been announced by L. M. Crow, chairman, election committee.

The following divisional representatives have been elected to the Board of Trustees:

- 100 division — C. A. Cottle.
- 200 division — G. P. Zoellner; J. W. Lewis
- 300 division — F. E. Pickens.
- 400 division — R. Glass
- 500 division — H. J. Rouff; P. E. Forsyth.
- 600 division — W. S. Stringham;

L. W. Ziemiak, 700 division — J. D. Wilkerson; R. Pray; D. P. Goodman. 800 division — R. A. Holthaus; E. F. Marsh; A. L. Baughman.

Woosley To Head Area Lions Club

Two Goodyear Atomic employees have been elected to office for the coming year in the Jackson Lions Club. Ernest Woosley, engineering costs and property records department, has been elected president. Dwain Clark, of the same department, has been elected secretary-treasurer.

Some very interesting programs were presented during the past season and indications are that the coming season also will be successful.

THE WINGFOOT CLAN

ATOMIC EDITION

THE BEST IS YET TO COME

Published semi-monthly in the interest of employees of the Goodyear Atomic Corporation.

Office: X-100 Building, Second Floor, South Wing
Telephone 2165

I AM THE NATION . . .

I was born on July 4, 1776, and the Declaration of Independence is my birth certificate. The bloodlines of the world run in my veins, because I offered freedom to the oppressed. I am many things, and many people. I AM THE NATION.

I am 174 million living souls — and the ghost of millions who have lived and died for me.

I am Nathan Hale and Paul Revere. I stood at Lexington and fired the shot heard around the world. I am Washington, Jefferson and Patrick Henry. I am John Paul Jones, the Green Mountain Boys, and Davy Crockett. I am Lee and Grant, and Abe Lincoln.

I remember the Alamo, the Maine and Pearl Harbor. When freedom called, I answered and stayed until it was over, over there. I left my heroic dead in Flanders Fields, on the rock of Corregidor, and on the bleak slopes of Korea.

I am the Brooklyn Bridge, the wheat lands of Kansas, and the granite hills of Vermont. I am the coalfields of the Virginias and Pennsylvania, the fertile lands of the West, the Golden Gate and Grand Canyon. I am Independence Hall, the Monitor and the Merrimac.

I am big. I sprawl from the Atlantic to the Pacific, 3 million square miles throbbing with industry. I am more than 5 million farms. I am forest, field, mountain and desert. I am quiet villages — and cities that never sleep.

You can look at me and see Ben Franklin walking down the streets of Philadelphia with his breadloaf under his arm. You can see Betsy Ross with her needle. You can see the lights of Christmas, and hear the strains of "Auld Lang Syne" as the calendar turns.

I am Babe Ruth and the World Series. I am 169,000 schools and colleges, and 250,000 churches where my people worship God as they think best. I am a ballot dropped in a box, the roar of a crowd in a stadium, and the voice of a choir in a cathedral. I am an editorial in a newspaper, and a letter to a Congressman.

I am Eli Whitney and Stephen Foster. I am Tom Edison and Albert Einstein. I am Horace Greeley, Will Rogers, and the Wright Brothers. I am George Washington Carver, Daniel Webster, and Jonas Salk.

I am Longfellow, Harriet Beecher Stowe, Walt Whitman and Thomas Paine.

Yes, I am the nation, and these are the things that I am. I was conceived in freedom, and, God willing, in freedom I will spend the rest of my days.

May I possess always the integrity, the courage and the strength to keep myself unshackled, to remain a citadel of freedom and a beacon of hope to the world.

THIS IS MY WISH, my goal, my prayer on Independence Day — one hundred and eighty-two years after I was born.

STORK CHAT

Mr. and Mrs. John Koons, (special analysis department), daughter, Katherine Louise.

Mr. and Mrs. Hoge T. Tabor, Jr., (cascade maintenance department), son, Charles Edgar.

Mr. and Mrs. P. S. Mellinger, (cascade coordination), daughter, Virginia Lee.

Mr. and Mrs. Edward H. Tepper, (chemical operations), son, Edward Steven.

Mr. and Mrs. Richard E. Vallery, (instrument maintenance department), son, Richard Eugene, Jr.

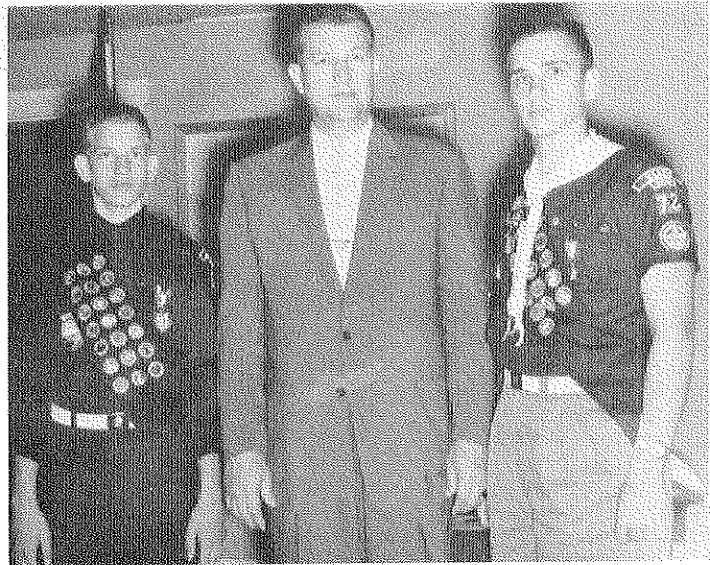

Mr. and Mrs. William D. May, (laundry department), son, William Daryl.

Mr. and Mrs. Dale C. Smith, (process laboratory department), daughter, Donna Jean.

Mr. and Mrs. Richard L. Craumer, (plant engineering department), daughter, Betsy Kathleen.

Mr. and Mrs. Leonard Shockey, Jr., (utilities department), son, Paul Douglas.

Mr. and Mrs. Murray F. Gleason, (utilities maintenance department), son, James Paul.

O. L. LAYNE, PLANT ENGINEERING DEPARTMENT, is shown center with his two sons, Chuck, right, and Laney, on the left. The Scouts were recently awarded their Eagle badges emblematic of scouting's highest rank.

Employee's Sons Earn Eagle Scout Awards; Scouting Experienced In Several States

O. L. Layne, plant engineering department, whose own scouting experience extends over 11 years and into four states, is the proud father of two Eagle Scouts. Layne has every right to be proud of Chuck, age 15, and Laney, age 14.

Chuck began Cub Scouting in League City, Texas, with Pack 29. He moved to Beaver, Ohio, in 1953 and joined Troop 73 where he acquired the ranks of Tenderfoot, Second Class, First Class, and Star. In December 1955 he moved to Denver, Colorado, where he became a member of Troop 210 and where he earned the rank of Life Scout. The family moved back to Beaver where he rejoined Troop 73 and finished the requirements for Eagle rank. It was during this time that Explorer Post 72 was formed in Beaver. This was the only Explorer Post in the East District under the jurisdiction of the Chief Logan Council. His family moved to Jackson, Ohio, prior to the time that the Eagle badge arrived from National Boy Scout Headquarters, Washington, D. C. He joined Explorer Post 53, a new Post sponsored by the Christian Church, Jackson. He received his Eagle Badge in February of this year.

Chuck is now Junior Assistant Scoutmaster in the First Baptist Church, Jackson, which sponsors Troop 52. He is now working toward the God and Country Award. Bob Roe, instrument and electrical engineering department, is the Scoutmaster of Troop 52.

Laney also began his Cub Scouting in League City, Texas, and joined his first Troop in Beaver. Here he advanced to First Class Scout before moving to Denver, Colorado, where he became a member of Troop 210. While with this troop he earned the rank of Star Scout. When his family moved back to Beaver he completed the requirements for Life and Eagle Scout as a member of Troop 73. Application for the Eagle Scout award was made through this Troop, but before he had an opportunity to pass the Board of Review the family moved to Jackson. He passed the Board of Review in Chillicothe.

Laney was awarded his Eagle Badge in April at the first Court of

Honor ever held in the First Baptist Church, Jackson. He is Senior Patrol Leader for Troop 52. Presently he is completing the requirements for the God and Country Award.

EAGLE SCOUT CHARLES ROBERT HOBBS, center, receives the God and Country Award from the Reverend Glenn Carlson, pastor of First Presbyterian Church, Waverly. Standing at left is Charles C. Hobbs, the father, of GAT's electrical maintenance department.

Hobbs Awarded God And Country Medal; Requirements Fulfilled In Scout's Own Church

Father and Scoutmaster Charles C. Hobbs, electrical maintenance department, is mighty proud of his son Charles Robert — and he should be. The son, an Eagle Scout, received the God and Country Award last month at an appropriate ceremony at the First Presbyterian Church of which he is a member.

The presentation was made by the Reverend Glenn Carlson, pastor of First Presbyterian Church. Participating in the special ceremony were Albert McFerrin, institutional representative and Dale Mosslander, scout field executive, Chief Logan Council.

The God and Country Award is presented by the church and not by the Boy Scouts of America. The Award is earned under the supervision of the scout's spiritual advisor. He must be a participant in such activities as regular Bible study and prayer, systematic giving in support

DOES THIS INTEREST YOU?

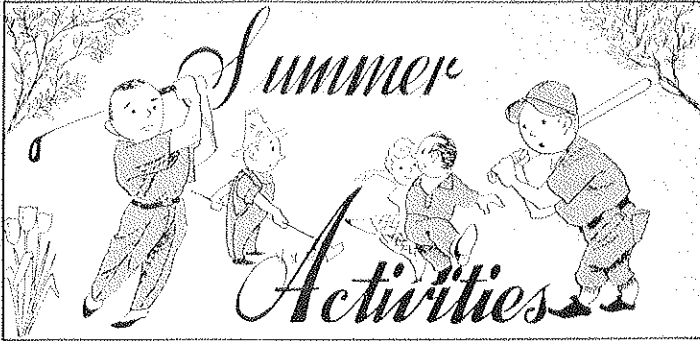

A group of Waverly residents who were interested in presenting selections from Handel's "The Messiah" and other Christmas music met recently to discuss the feasibility of such a program. Some of the tentative conclusions reached by the group were: The GAT Male Chorus will be the nucleus around which the Messiah Chorus will organize; a 40 to 80 member chorus of men and women will be needed; the Christmas program will be presented a maximum of four times (public interest being the deciding factor) in Waverly, Portsmouth, Jackson, and Chillicothe. Tentative dates for performances include one or more of the following evenings: December 5, 6, 7, 12, 13, and 14. The program will include eight choruses and several solos from "The Messiah", Christmas carols (probably a capella), and the Ken Darby arrangement of "Twas the Night before Christmas".

Both men and women are needed to sing in the chorus in addition to the men of the GAT Chorus. If interested you are urged to contact Karl Beu, physical measurements department, extension 2759 or Marian Shawkey, personnel records department, extension 2242.

of the church, attend youth fellowship regularly, explain major Christian doctrines and beliefs, be familiar with the world mission of the church, and perform at least six service projects for the church.

Scout Hobbs is a member of Explorer Post 76, Waverly. His Explorer Advisor is Jack Durant, plant engineering department.

The God and Country Award is available to Protestant, Catholic, and Jewish boys who are members of the Boy Scouts of America.

ATTENTION GOLFERS

Eight GAT foursomes will have an opportunity to play the Ohio State University Scarlet and Gray golf course, Columbus, Ohio, on August 9. This is one of the recommendations of the GAT Golf Committee.

Bob Kepler, golf professional at the University courses, has reserved eight starting times for Goodyear Atomic Corporation beginning at 10:30 a. m.

Golfers who would like to participate in this event are urged to contact the recreation department immediately and make reservations. Green fees will be \$3.00 and is payable when the reservation is made.

THE GAT LADIES ENJOYED A SUCCESSFUL GOLF PLAYDAY at the Elks Country Club, Portsmouth, last month. The camera records some of the action. Twenty-three participated representing the GAT Portsmouth and Waverly Ladies Golf Leagues. Top right is Carolyn Head as she prepares to tee off. Top center at left is Ruth Martin, Berdenia Smith in the center, and at

right is Ruth Deitchel. Top right is Lee Shane as she prepares to sink a successful putt. In the bottom pictures from left is Dick Jones, supervisor of recreation, giving Irene Ingall a few tips on golfing. Bottom Center, Janet Eckhart follows through after a drive. Bottom right, Lee Shane prepares to sink a putt as Rhettha Massie, left, and Donna Jenkins, right, look on.

Knowledge Of Terms Helps You In Baseball

The baseball season is well underway. The National League is in a mad scramble for the first positions. In the American League it looks like the same old story — Yankees all the way.

Sports writers and radio commentators are forever coming up with new terminology.

The following are some of the terms and definitions to help you better understand the game.

Fierce Competitor — Player who argues with the umpires.

Control Artist — Pitcher who hasn't got a fast ball, curve or a change-up but can get the ball across the plate.

Clutch Hitter — Player who once won a ball game with a blooper to center field.

Punch Hitter — Player who usually gets one or two hits a year off the handle of the bat while dodging an inside pitch.

Bench Jockey — Player who isn't good enough to make the team but has a loud voice.

Pull Hitter — Player who swings too soon at curve balls.

Fleet-Footed Outfielder — Player who overruns fly balls.

Drag Bunter — Player who can't hit but gets on base occasionally with surprise bunts.

Keen Student of the Game — Player who can't make the team but knows the rule book from memory.

Excellent Plate Guarder — Player who fouls off two or three pitches when the count is 0-2.

Excellent Receiver — Any catcher charged with less than three passed balls during a game.

Bad Ball Hitter — Batter who doesn't know the strike zone.

Two Golf Playdays Scheduled July 12

A change has been made in the golf playday scheduled for Saturday, July 12.

Two playdays will be held simultaneously, one at Portsmouth and the other at Chillicothe. Only Elk members may play at the Portsmouth Elks course; all other employees who wish to participate must play at the Jaycee Public course in Chillicothe. Mike Stoops of the standard practice department will be chairman of the activity in Portsmouth and Bert Ulrich of the purchasing department will be chairman of the Chillicothe event.

Similar prizes will be awarded to winners of events in both the Chillicothe and Portsmouth playday.

Tee off time will be from 8:00 a. m. to 10:00 a. m. Arrange your foursome now and plan to attend the second golf playday of the season.

Relief Artist — Pitcher who enters the game after it is hopelessly lost.

Base Coach — Player who can't make the team but looks good in his uniform.

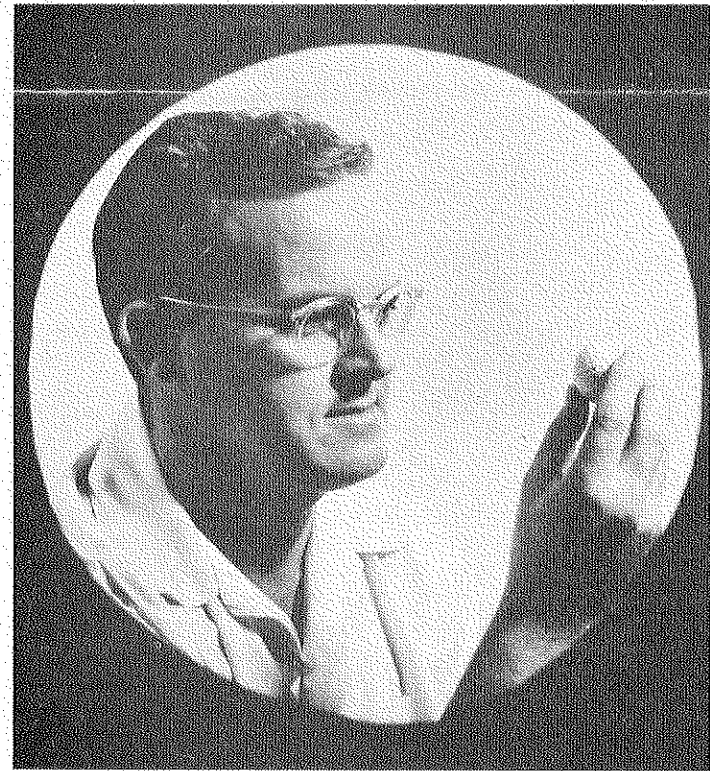

Hustler — Any player who doesn't walk to his position between innings.

THE JIMMY DORSEY ORCHESTRA will be under the direction of Lee Castle, above, when it appears at the GAT dance July 18. Tickets are still available in the recreation department.

Pinch Hitter Deluxe — Player who singled in his only pinch hit role of the season.

Smooth Fielder — Player who can make the routine play look hard.

THIS IS IT. Hugh Ruel, analysis and design department, holds the ball which traveled 135 yards for a hole-in-one. Ruel is the first GAT League Golfer to accomplish the feat.

Second Hole-In-One Shot By Ruel; First One Recorded In GAT League

A Portsmouth Area golfer carded a hole-in-one in GAT league play at the Portsmouth Elks Country Club on June 20. He is Hugh Ruel, analysis and design department.

Ruel was playing with a foursome composed of Howard Galloway, Dick Entler, and Warren Gilliland.

Ruel placed his tee shot in the cup on the 135-yard Number 4. He used a 7 iron. The ball hit high on the flag pole and dropped in. The shot helped Ruel finish with a very respectable score of 39.

This is the second hole-in-one for Ruel since he has been playing golf. His first one was made about 20 years ago at the old Raven Rock Course, Portsmouth.
